AHMADI SHOT DEAD

ANOTHER ONE IN PESHAWAR

Sethi Town, Peshawar; November 9, 2021:

Mr. Kamran Ahmad worked at one of the factories in Industrial Estate Kohat Road, Peshawar. He was shot dead by an unknown person in the factory. He died on the spot. He was 44 years old. He left behind two daughters, two sons and a widow.

He was facing ongoing opposition for a while. Previously, he along with his brother bought a store. The landlord of the store evicted them on a single day's notice, only because they were Ahmadi. Thereafter, the opponents renamed the crossing [near it] as "Khatme Nabuwat Chowk" Afterwards they purchased another store nearby, opponents evicted them from that store as well. Recently, a large demonstration was also held near their house and inflammatory speeches against the Ahmadiyya community were made.

ADVOCATE ACTIVE TO DEMAND PROSECUTION

OF AHMADIS OVER THEIR WORSHIP

Lahore; July-November 2021:

Anti-Ahmadiya Ali Jassim Butt Advocate filed an application for registration of police case against Ahmadis in which he wrote that he was passing through Allama Iqbal Road Garhi Shahu, Lahore on July 21, 2021, at around 6 a.m. when he saw many people had gathered outside the Qadiani worship place near the Shell gas station and found them reciting Islamic recitations (glorification of God). Upon inquiry, he learned that these people had gathered for Eid prayers. He then inquired of the police officer present of why the Qadiani infidels were allowed to assemble and worship on an Islamic festival. He replied that he had been posted there for security, and showed him the duty chart stating: "Duty arrangements about Qadiani worship place on Eid ul Azha". The applicant took pictures of these papers. Meanwhile, Eid prayers started inside and outside the place of worship. Thus under these circumstances, the Qadiani administration had tried to mislead the naive people by using Islamic rites, which is violation of law PPC 298-C (sic), he said. He demanded immediate legal action against the accused Abid

Naseem and his accomplices for conducting the prayers in the place of worship.

Ali Jasim Butt filed an application before the Additional Sessions Judge, Lahore calling CCPO Lahore as party under section(s) 22-A and 22-B on which the Additional Sessions Judge, Lahore ordered the SHO of the concerned police station to record version of the petitioner and probe into the matter.

The Ahmadiyya Community categorically denied the allegations as no member of the community was offering prayers outside the place of worship and the community had not violated any law. The police also submitted a report to the court that there was a terrorist attack in this place of worship in 2010 in which about 50 people were killed. No illegal activity has been reported on any occasion, etc.

Ali Jassim Butt is part of mulla Hassan Muawiyah's anti-Ahmadiyya band of End of Prophethood Lawyers Forum, which is at the forefront of litigation against the Jamaat at various levels. He has previously filed petitions against the Jamaat at various occasions.

ELECTRONIC CRIMES ACT AND AHMADIS

Rabwah; November 2021:

Electronic Crimes Act initially had a purpose and a rationale -- fair indeed. However, such acts of the state end up in the hands of unscrupulous and malicious officials as tools of persecution and tyranny against the Ahmadi Community, This month, a directive had to be issued and circulated by the local Ahmadi leadership among the Ahmadi population of Rabwah. We produce its translation below. It will give some idea of the gravity of the malafide application of the law. In the name of Allah

Letter Nr: GS-4288

Dated: November 18, 2021

Respected President... (Neighborhood)

Adaab

Subsequent to the passage of Election Crimes Act (PECA), Ahmadis' activities in the social media are being kept under extensive surveillance, and action is taken against the users. There is need to frequently remind the Ahmadi brethren of remaining cautious on media, particularly the social media and to abstain from all kinds of religious, community and political talk or controversy in public. Please oblige by passing the under mentioned directions to all members of the Jamaat.

Under the said Act, an Ahmadi's sharing of any extract of the Holy Quran, Hadiths or banned (Ahmadiyya) books is a violation of the Electronic Crimes Act, and they add PPC 295-A, B and C to the sections of the Electronic Crimes Act. This could thus call for death penalty in addition to other penalties. Simultaneously the authorities confiscate the mobile phone, laptop and other such devices belonging to the accused. Thereafter, through a forensic test, they check the records of other persons linked to the accused, who could be booked for criminally assisting the first accused. Our opponents thus get an opportunity to have the Ahmadis prosecuted because of their carelessness. Some of our opponents, in their evil designs, pose being Ahmadis and share Ahmadis' information through fake IDs, and look for an opportunity to make mischief and create problems for Ahmadis. As such, no Ahmadi is permitted to share on any forum of the social media any Ahmadiyya text, verses of the Holy Quran, any Hadith, any photo of the Promised Messiah, the Khalifas, the elders, or Jamaat events, Jamaat info, banned books or their extracts. Similarly issue no programs on-line of any event of the community or auxiliary organization. Also, do not create a website of the community or any auxiliary organization, and do not share any message, information regarding the community through a website or on a social media platform. If you need to pass a message, do that by personal approach to each individual. Do not from a 'group' or 'page' on social media i.e. WhatsApp, Instagram, Facebook, YouTube etc, nor offer any information on religious issues, proselytizing or Ahmadiyya Community. Similarly do not place on Title, Profile or Status any Ahmadiyya extract, Quranic verse, Hadith, photos of the Promised Messiah, Khalifas, Ahmadi personages, community picture, community information, banned publication or their extracts. Occasionally you would get an invitation from a known or unknown source to join a group, or you are included in a group — exit the group immediately. Ahmadi brethren should exercise great care these days in such matters to avoid an unpleasant development.

Sincerely,

President
Local Anjuman Ahmadiyya Rabwah

A GLIMPSE OF THE PROTECTION GIVEN TO AHMADIS BY THE POLICE - NOVEMBER 2021

THREATS TO AHMADIYYA MOSQUE IN GUJRANWALA

Gajju Chak, District Gujranwala; November 2021:

An application was filed with SHO Police Station Rahwali Cantt, alleging that Ahmadis had built minarets and niche at their place of worship, and written Islamic inscriptions on their graves, which is a violation of 298-B, 298-C and 295-C (sic). Legal action and punishment were demanded by the bigots against the following Ahmadis:

(1) Daud s/o Muhammad Din (2) Altaf s/o Ghulam Rasool (3) Hafeez s/o Rafiq (4) Naveed Ahmad s/o Bashir (5) Zaheer s/o Nazir (6) Manzoor s/o Muhammad Din (7) Abu Bakar s/o Nawaz (8) Ahsan s/o Ghulam Rasool (9) Nawaz s/o Malik.

In this regard, the parties were summoned to the police station on November 12, 2021. About 30 non-Ahmadis accompanied the Ahmadiyya delegation from the village. The opposition gathered some people from a nearby village. Ahmadiyya delegation asked for a separate meeting with police officers. There, Ahmadis told them that only two or three persons were trying to create mischief. Otherwise, the rest of the village is with Ahmadis and most of them have come with them to the police station. The DSP asked Ahmadis about the minarets as they are not allowed to build minarets (sic). Ahmadis told him that these are very old and were built before the anti-Ahmadi ordinance.

The DSP told Ahmadis to sort out the matter with the locals. On 13th November he told both the parties to resolve the issue mutually within 15 days, thereafter the opposing party should withdraw the petition.

On 26 November, police officials, officials of the revenue department, and members of the peace committee of district Gujranwala visited Ahmadiyya mosque and graveyard. They first visited

the mosque and objected to the prayer on the notice board, thereby the local Ahmadiyya president took down the prayer. Along with the administration, three of the petitioners also entered the premises of Ahmadiyya mosque. A person wanted to take a picture of the Holy Quran lying in the mosque on which the chairman peace committee forbade him. Later, they went to the cemetery. There they objected to the gravestones of about 50 Ahmadi graves. In this regard, the parties were summoned on November 29, 2021.

On November 29, the Ahmadiyya delegation went to the CPO office. They met the SP Police and shared their reservations about the security risk created by the opponents entering the Ahmadiyya mosque along with the officials. Ahmadiyya delegation also asked for a meeting with the authorities. The SP directed the DSP to meet the Ahmadiyya delegation. The police first listened to the opposition and later heard the Ahmadiyya delegation. On this occasion, the chairman of the peace committee said that as the minarets were also among the Islamic rites so Ahmadis cannot build them as per the Constitution (sic). He was told that minarets are not part of Islamic rites and there is no such law, but if there is any objection to them then they can cover them to avoid visibility from outside. It was also decided that the writings of gravestones should be left as it is, but in future, Ahmadis will take care of this aspect. Opponents objected to this and said that minarets are not acceptable to them. At this, the administration told Ahmadis to remove the minarets. The officials tried to take in writing from the parties that minarets will be removed by the authorities and no one would have any objection. However, the text could not be agreed upon. Police have summoned the parties again on December 02, 2021.

This discriminatory treatment of Ahmadis is very wrong and very hurtful.

REPAIR WORK OF THE AHMADIYYA MOSQUE BARRED BY THE POLICE

Bhera, District Sargodha; November 2021:

The repair work of Ahmadiyya mosque was in progress when the opposition filed an application with a civil court against the renovation. Both the parties were summoned to the police station and Ahmadis were told to stop the construction work until October 29. In this regard, Ahmadis met an influential person of the area, who sent for the petitioner and told him to refrain from mischief. Thereafter, the application was withdrawn on court appearance on October 29.

On 28th October, Bhera Police Station officials, town committee officials and Abrar Bagvi, Khatib of Sher Shah Mosque Bhera visited the Ahmadiyya mosque. The SHO said that a committee consisting of persons from both parties would be constituted to have a meeting regarding repair work, in the office of CEO Town Committee, Bhera.

On October 29, the committee held a meeting in which it was decided that the repair work of the roof would be completed but the niche and minaret

will not be repaired. It was also decided that a permission would be necessary from the town committee before starting any kind of repairs in future. 'Bait-ul-Zikr' will be inscribed on the main wall of Ahmadiyya place of worship. The administration will revisit the site from time to time. Furthermore, they told that Muslims would 'save' the Kalima written therein, at which Ahmadis said that they could not confront the administration but they would not allow any private opponent to enter their mosque.

It is obvious that restrictions imposed by the police on Ahmadiyya worship place are discriminatory and unfair. On October 30, 'Bait-ul-Zikr' was inscribed on the wall of Ahmadiyya place of worship.

In the dark hours of December 01, police and town committee members came to the Ahmadiyya mosque, destroyed the Kalima written in the hall as well as in the courtyard, and took the debris along with them.

PAK AUTHORITIES AND THE MULLA

Lahore; November 5, 2021:

According to press reports, LHC Justice S. A. Khan has summoned Punjab CM Usman Buzdar to appear in person in a case pertaining to the alleged publication of the Holy Quran by the Ahmadiyya Community, on a petition filed by mulla Hassan Muawiyah. We reproduce below the report as published in the Express Tribune (tribune.com.pk dated November 5, 2021), sans comment, for the reader to draw his/her own conclusions on authorities-mulla relationship in the country:

CM Buzdar summoned to ensure implementation of LHC order

Provincial top court told that relevant authorities are not complying with its directives

LAHORE:

Lahore High Court (LHC) Justice Shujaat Ali Khan has summoned Punjab Chief Minister Usman Buzdar to appear in person in a case pertaining to the alleged publication of the Holy Quran by the minority Ahmadiyya community.

In the recent past, petitioner Hassan Moavia had filed a petition claiming that the members of the minority community were not only publishing the Holy Quran with “distorted text and mutilated translation” but also sending its copies abroad. Justice Shujaat had disposed of the petition by passing certain directions. Now the petitioner has once again approached the court, saying that the authorities concerned are not implementing the court’s directives.

During the hearing of the case, the LHC judge also summoned other stakeholders for getting their view on the matter. It transpired during the proceedings that police shifted the burden onto the Federal Investigation Agency (FIA).

The FIA claimed that the police did not cooperate with them during the investigation of the case.

An FIA official told the court that they conducted a raid at Chanab Nagar but the district police officer (DPO) Chiniot and the other police officials were not fully cooperating with them.

However, the DPO maintained that FIA officials did not complete the due process before conducting the raid.

The petitioner’s counsel told the court that certain directions of the court had been implemented while most are left unattended.

At which Justice Shujaat summoned the Punjab chief minister on November 8 at 1pm to ensure the implementation of the court’s order in letter and spirit.

In its earlier order, the court had passed 18 directions for the authorities concerned that include the availability of a standard copy of the Holy Quran along with its literal meaning at federal, provincial, district and tehsil levels duly approved by the respective Quran Boards to use it as a specimen to determine as to whether any subsequent publication qualifies the test of authenticity of the original text of Holy Quran and its literal meaning or not. Secondly, the court had directed the federal as well as provincial governments to take steps to ensure that only the printers/publishers, authorised by the Quran Board, are allowed to print the Holy Quran and other religious books of the Muslims. “Further, the authorised printers/publishers be bound down to give specific Bar/QR code as well as a distinct serial number against each copy of every religious book, in particular the Holy Quran, to know the authenticity of the said book and to fix responsibility in case of any omission/commission on the part of any publisher/printer,” read the judgement.

Furthermore, each page of the Holy Quran is embossed with the name of the publisher/company in order to eliminate the possibility of replacement of any page at a subsequent stage.

Note: We authoritatively state that the Ahmadiyya community in Pakistan has not published the Holy Quran for years. It never published any distorted text. These allegations are false.

ANTI-AHMADIYYA CONFERENCE IN KARACHI

Drigh Road, Karachi; November 19, 2021:

A conference was held at Bilal Mosque (Deobandi) near Ahmadiyya worship place. Mullas of Tablighi Jamaat from various locations in Pakistan attended the conference. The participants numbered around a thousand. In their speeches, the Mullas slandered the Ahmadiyya community and its

founder. They also quoted distorted references from the founder's writings. The speakers also incited the participants against Ahmadis. Participants shouted anti-Ahmadiyya slogans there. It was all in violation of the law — PPCs 153, 295-A and 298. Rangers and police personnel were present at the occasion.

The following four clubs were shown as participants:

It conveys interalia: Qadianis' entry is banned. Qadiani is Kafir.

“Was this our War” A General reflects back!

Enough is enough!

The State has fought this war to liberate its areas from the scourge of militancy. Many lives have been sacrificed and a lot of treasure exhausted. It is time to now consolidate the concept of how this State ought to function in the future. Will madrassas, Maulvis and extremists be allowed to continue to destabilize this nation as they have been doing since 1947? Here now is the opportunity when State must lay down the law, governance has to be firm and not tentative. This country has no place for the likes of Mullah Aziz Burqa or heroes such as Mumtaz Qadri who murdered the very person he was supposed to protect. This country can no longer afford

mobs such as the TLP or leaders who sell God and exploit religion for their own selfish pelf and privilege. We have had enough!!!

No, it wasn't a surrender

With TLP on board and TTP nearly so, PM Khan has scored a century against the ‘bloody liberals’ he hates.

With TLP-TTP on the rise and liberals demolished — and mainstream parties too afraid to be seen as liberal — the consequence of joining state to religion becomes starker by the day. While Pakistan’s non-Muslims will remain useful punching bags, insistence on expelling France’s ambassador suggests TLP has national and global ambitions. As for TTP: a glance at Afghanistan should tell where it wants to take us. Crucially: TLP and TTP are two violent organisations, one Barelvi and the other Deobandi. At daggers drawn, both have mass followings; that of TTP will skyrocket now that the Taliban rule Afghanistan. Both want a Sharia state but with different versions of Sharia. Which one prevails can only be settled by force and civil war. Imran Khan will have certainly created a Naya Pakistan, albeit not the one he promised.

Op-ed: Making peace with militants

The ambiguity around the terms of negotiations has made the talks extremely controversial.

There was no cessation in hostilities while Pakistani security officials engaged in talks. Just days before the ceasefire announcement, an ambush in North Waziristan claimed the lives of four soldiers. Scores of soldiers have lost their lives

in renewed terrorist attacks over the last few months in former Fata. Such an escalation in violence raises questions about a tentative truce delivering peace.

It appears that it is the state that has virtually surrendered to a group that is also on the list of global terrorist networks. There is no indication yet that the TTP is willing to lay down its arms and accept the Constitution. The demand for the release of prisoners before talks would make it clear that the outfit seeks to negotiate from a position of strength.

Most troubling, however, is the absence of a clear strategy on the part of the state on how to deal with terrorist and violent faith-based extremist groups. There has not been any effort to develop a national consensus on such critical national security issues.

Any deal with the TTP is likely to reverse the gains the country has made in its battle against terrorism and violent extremism. Unconditional negotiations will legitimise the terrorist group. The shameful deal with the TLP last week and talks with the TTP should be cause for serious concern. It certainly raises questions about our resolve to fight terrorism.

Op-ed: Vulnerable groups

Globally, discriminatory practices are corrected through training and sensitising the police towards vulnerable populations. Policies are carefully reviewed to adapt to the needs of marginalised groups and put in place a bridge of

trust between them and the police. These policies also prohibit profiling and stereotyping as well as discrimination based on vulnerability. At the tactical level, officers are trained for crisis intervention techniques and alternative ways of resolving conflict. At the operational level, vulnerable populations are effectively engaged so that they share their problems and help the police devise cultural and social responsiveness to violence.

Op-ed: Age of extremes

...

And linked with this is our economic well-being. We have to ask ourselves why is it so easy for any political party to bring so many people on to the streets for days at a stretch. Why is there no economic cost these protesters have to pay for taking to the streets for an indefinite period? Or if there is an economic cost, why is it so low for the individuals who form the horde? Especially for reasons which are unclear to begin with? Be it a dharna by Tahirul Qadri or the TLP, we must consider not simply the lives these people lead which are so easily exchanged for camping out on the roads but also the ease with which they confront violence. It is too simplistic to believe that only ideology is at work here. And the state cannot and should not be blamed for simply encouraging religiosity — it needs to be held responsible for not offering anything else.

THE AHMADIYYA MUSLIM JAMA'AT IS A RELIGIOUS COMMUNITY AND ORGANIZATION, INTERNATIONAL IN CHARACTER, WITH ESTABLISHED BRANCHES IN OVER 210 COUNTRIES AND TERRITORIES IN ASIA, AFRICA, THE AMERICAS, EUROPE AND AUSTRALIA. IT HAS TENS OF MILLIONS OF MEMBERS WORLDWIDE AND IS GROWING. THE AHMADIYYA COMMUNITY WAS FOUNDED IN 1889 BY HADRAT MIRZA GHULAM AHMAD OF QADIAN, ON TEACHINGS THAT HE SAW AS AN EMBODIMENT OF THE BENEVOLENT MESSAGE OF ISLAM: PEACE, UNIVERSAL BROTHERHOOD, AND SUBMISSION TO THE WILL OF GOD. HE CLAIMED TO BE THE LATTER-DAY MESSIAH AND REFORMER AWAITED IN LEADING WORLD RELIGIONS OF THE WORLD. HE OPPOSED VIOLENCE AS A MEANS OF ADVANCING RELIGION AND REJECTED TERRORISM IN ANY FORM OR FOR ANY REASON.

DECLARING AHMADIS AS NON-MUSLIMS

THE PAKISTANI RELIGIOUS ESTABLISHMENT BRANDS THE AHMADIYYA COMMUNITY HERETICAL IN NATURE AND DOES NOT APPROVE OF ITS REFORMATORY NATURE. POLITICIANS HAVE ALSO FOUND IT EXPEDIENT TO SUPPORT THE RELIGIOUS ESTABLISHMENT IN THEIR ANTI-AHMADIYYA STANCE. THE FIRST COUNTRYWIDE WAVE OF VIOLENCE AGAINST THE COMMUNITY ERUPTED IN 1953. FOLLOWING THE EXTENSIVE RIOTS, AN IN-DEPTH JUDICIAL INQUIRY BY THE CHIEF JUSTICE AND A JUDGE OF LAHORE HIGH COURT FOUND POLITICS TO BE THE MAIN CAUSE OF DISTURBANCES. MANY YEARS LATER, IN 1974, MR ZULFIKAR ALI BHUTTO, THE THEN PRIME MINISTER OF PAKISTAN, FOUND IT POLITICALLY ADVANTAGEOUS TO HAVE AHMADIS DECLARED A NON-MUSLIM MINORITY, WHICH IN PAKISTAN IS A FORM OF SECOND RATE CITIZENSHIP. IT WAS A UNIQUE INNOVATION; WHILE OTHER NON-MUSLIM RELIGIOUS GROUPS, LIKE CHRISTIANS AND HINDUS, WERE NON-MUSLIM MINORITY BY THEIR PROFESSION, AHMADIS WERE FORCIBLY DECLARED A NON-MUSLIM MINORITY THROUGH LEGISLATION.

ORDINANCE XX

FOLLOWING BHUTTO'S LEAD, GENERAL ZIA UL HAQ, THE MILITARY DICTATOR OF PAKISTAN FROM 1977 TO 1988, TRIED TO COURT EXTREMISTS BY PROMULGATING THE NOTORIOUS ANTI-AHMADIYYA ORDINANCE XX IN 1984. THE ORDINANCE ADDED SECTIONS 298-B AND 298-C TO THE PAKISTAN PENAL CODE. THROUGH THIS ORDINANCE, THE RELIGIOUS RIGHTS OF AHMADIS WERE DIRECTLY VIOLATED. UNDER ITS PROVISIONS, AHMADIS COULD BE IMPRISONED FOR THREE YEARS AND FINED AN ARBITRARY AMOUNT FOR ORDINARY EXPRESSION OF THEIR FAITH. ADDITIONALLY, TO PROHIBIT AHMADIS FROM PROSELYTIZING, IT EXPRESSLY FORBADE THEM FROM CERTAIN RELIGIOUS PRACTICES AND THE USAGE OF ISLAMIC TERMINOLOGY. THIS ORDINANCE EFFECTIVELY MAKES A CRIMINAL OUT OF EVERY AHMADI BY INCLUDING THE BROAD PROVISION OF "POSING AS A MUSLIM" A COGNIZABLE OFFENCE, GIVING THE EXTREMISTS À CARTE BLANCHETO TERRORIZE AHMADIS WITH THE BACKING OF THE STATE.
