ANOTHER MURDER ON RELIGIOUS GROUNDS

Abdus Salam was stabbed to death by a madrassah student and a supporter of TLP on May 17. The assassin attacked him several times with a big knife. He thrust his blade at the vitals of the victim's upper body, seriously damaging his entrails, heart etc. He committed the horrendous crime in front of victim's children. Their loving father shed his blood as they stood helpless. The horror will haunt their little minds for ever.

MURDER ATTEMPTS CONTINUE

In addition to the grisly murder of Abdus Salam, there were two further deadly attacks on Sami Ullah of Faisalabad and the in laws of Sajid Mahmood of Kotli Azad Kashmir. Fortunately, none of them died in the attack, however they all injured in gruesome ways, see images on page 7. These attacks have increased significantly in recent years. It was the 9th attack in the current year and the 16th since 2021 began.

DESECRATION OF AHMADIYYA GRAVES

This section has now become a routine in our reports. In addition to the desecration of 30 Ahmadiyya graves by the Punjab Police, the opponents couldn't have gone lower than digging up a grave of an Ahmadi Ishfaq Ahmad who was buried back in 1997. They also dumped his remains outside. We have presented his photograph along with his father - an Ahmadi physician who was murdered for his faith on March 19, 2008.

THE TRAGIC EVENT OF MAY 2010 - ATTACK ON TWO AHMADIYYA MOSQUES

May 28 reminds Ahmadis of the great tragedy they have been through. Every few years, we express our grief and distress to kindle a sense of regret and remorse in decent Pakistanis. Briefly, in a meticulously planned attack, sectarian terrorists slaughtered 86 Ahmadi worshippers who had assembled for Friday Prayers in two Ahmadiyya mosques in Garhi Shahu and Model Town. This was the single most barbaric attack on the Ahmadiyya Muslim community; more people were killed in a single day than in the earlier 16 years put together. See pages 14-17 for further details and glimpses into this tragic day.

GRISLY MURDER OF AN AHMADI

L plot, District Okara; May 17, 2022:

The Press Section of the Ahmadiyya headquarters issued the following press release on May 18, 2022.

MURDER OF AN AHMADI AT THE HANDS OF A RELIGIOUS STUDENT FOR REASONS OF FAITH

Those spreading hate speech and inciting violence against the Ahmadiyya Community should be held accountable under the law: Spokesperson Ahmadiyya Community Chenab Nagar (PR) On 17th May, 2022 an Ahmadi Mr. Abdul Salam of L-Plot, District Okara was stabbed to death by a religiously motivated person for reasons of faith.

According to the details, at around 17:45, when Mr. Abdul Salam was returning to his home from agriculture fields a person named Ali Raza, also known as Mulazim Hussain, attacked and fatally stabbed Mr. Salam. The culprit immediately ran away from the place of the incident. It is being reported that the attacker is a student at a religious institute and belongs to the same village where Mr. Salam resided.

The deceased was 35 years old and was a very generous and a humble human being. He had no personal enmity with anyone. He was only killed for his Ahmadiyya faith. He has left behind a widow and three children (2 sons Qamar-ul-Islam of age 6 years, Badar-ul-Salam of age 4 years and a daughter Sehar-ul-Islam of age of almost 2 years old).

Spokesperson Ahmadiyya Community, Mr. Saleem-UD-Din while condemning the brutal murder of Mr. Salam expressed his utter support for those who are left behind. He said that the government has failed miserably in protecting and safeguarding the lives and properties of Ahmadis living in Pakistan. Recently, similar attacks were carried out against 2 Ahmadis residing in District Faisalabad. Due to current circumstances, Ahmadis are feeling vulnerable. He also said that the hate speech and incitement to violence against Ahmadis is being carried out with impunity. This incitement to violence is mainly carried out by religious extremists through the display of stickers, banners etc. in educational institutes, residential areas and in other places of public gatherings. In order to gain short-term political gains, the politicians are also seen exploiting the Ahmadiyya Community by issuing baseless allegations against them. The Spokesperson has demanded that the elements propagating hate speech and inciting violence against the Ahmadiyya Community should be held accountable under the law while apprehending the culprit behind the death of Mr. Salam.

18-05-2022 Sadr Anjuman Ahmadiyya Pakistan Rabwah

We may add some additional information on this most hurtful criminal attack.

As for the victim, he was a man of good reputation, known for his hospitality and generosity to the poor, regardless of their caste and creed. He had no personal vendetta against anyone. He

was an office bearer in the Ahmadiyya set-up.

The killer is a madrassah educated young man. He is a supporter of the notorious Tehrik Labbaik. The madrassah he attended is of the Bareilvi School, the same as of TLP who gained notoriety in killing several law-enforcement officials during the

2021 agitation and the march on Islamabad.

The assassin attacked the victim several times with a big knife. He thrust his blade at the vitals of the victim's upper body, seriously damaging his entrails, heart etc. It seems he had been well briefed and trained. He committed the horrible crime in the presence of victim's little children. How the horror of this violence will haunt them all their lives! They will never shout: Daddy is home. Their loving father died on the spot.

The madrassah that the murderer attended had preached anti-Ahmadiyya hate. Very recently, at a function, in a hateful speech, the speaker had urged the staff and the students to take extreme action against Mirzais and Qadianis. Ahmadis have been routinely termed blasphemers for simply being Ahmadis. Such madrassas where violence, militancy and hate is taught should have been closed down as per government's own declared policy.

The eyewitness accounts show that the murder was well planned. The murderer was motivated, trained and supported. A selected few from the village and the madrassah helped him with preparation, reconnaissance and escape. Police inquiry should divulge the accomplices.

It is regrettable that there is a vast gap between the government's well-considered public policy and its implementation on ground.

The National Action plan announced after the massacre in APS in 2014 was a well-considered plan to fight militancy and violence in the name of religion. Madrassahs received special mention therein. However, subsequently the daily Dawn reported: *"The army is reportedly dissatisfied with the lack of movement on the issue of madrassah reforms, proscribed organizations and sectarian groups; foreign funding of seminaries and action against hate speech."* Epaper.dawn.com/print-image@view.php?StoryText=11-04-215-001-003. The same can be said about the much-trumpeted Paigham-e-Pakistan of 2018 sponsored by the President (read Government) with endorsement of hundreds of Ulama-e-Karam from all over the country. And one may ask: 1) Why did the Punjab Government issue numerous instructions in 2018-2022 regarding support to the Khatam e Nabuw-

wat doctrine, and 2) Why the exceptional emphasis on religion in the Single National Curriculum that also lacks flexibility and is like a strait jacket for change.

It deserves a mention that the national press, civil society and political pundits did not highlight this heinous incident, as they did earlier in December when Srilankan Priyantha Kumara was killed in Sialkot. Granted that the number of people involved and their handling of the dead victim was different in the two incidents, but the motivation of the perpetrators and the result was

identical. Known vloggers and talk show presenters who appear greatly concerned with the state of the state, preferred to stay silent this time. However, it should be acknowledged that some people from the village L-plot openly expressed sympathy for the bereaved family and condemned the murderer. The mulla, who runs the madrassah, shut it down and is on the run at the time of this report.

One, Mona Farooq Ahmad tweeted some verses of the poet Obaidullah Aleem on his death anniversary that fell on the next day after Salam's murder:

*Whom shall I address my grief?
My cities are on fire, my people are dying.*

*There were times when this land received blessings,
The same land is now inflicted with disasters.*

None other is involved in thrusting the dagger,

We are being murdered; we are committing the murder.

AUTHORITIES DESTROY ANOTHER 30 AHMADIYYA GRAVESTONES

Ghughyat Tehsil Bhera, District Sargodha; May 11, 2022:

The Punjab Police again committed the same enormity as they were used to during the Usman Buzdar rule. They destroyed 30 Ahmadiyya grave stones — this time in District Sargodha.

The situation of Ahmadis has been deteriorating here for the last four years. The mulla staged a sit-in on May 9, 2022, in Miani Chowk. The administration lifted the sit-in by promising them compliance with their demands within three days. In this regard, the office of the Deputy Commissioner sent for the Ahmadi seniors on May 10. District Police Officer, Assistant Deputy Commissioner, DO Special Branch, a major of Military Intelligence, CTD, District Officer of IB, and ISI officers attended the meeting. They started by saying that the District Intelligence Committee has decided that they have to maintain peace at all cost. Detention orders and 4th Schedule nominations have also been decided. The DPO pressurized the Ahmadiyya delegation to remove the Kalima from the gravestones themselves. The Ahmadiyya delegation conveyed their stance that they will not remove it themselves but if the administration does this, they will not resist. They also told the Ahmadiyya delegation to sign the note of proceedings. The next day, the administration destroyed the tombstones of 30 Ahmadis' graves, with the help of a cutter. They cut off the part with Arabic inscriptions and took the debris with them. The operation

was undertaken at 3 p.m. when most people were inside homes due to extreme heat.

The authorities in this huge province should know that you do not maintain peace by insulting and persecuting further the already marginalized sections of the society. You are expected to maintain peace by use of all lawful means at your disposal against aggressive bigots and sectarian thugs.

Did you know!

120 graves have been desecrated in the first five months of 2022. This figure was 92 last year.

AHMADI FROM FAISALABAD SEVERELY INJURED IN A FIRING ATTACK

Chak 261 Adhuwali, District Faisalabad; May 2022:

Assailants injured Mr. Sami Ullah, Ahmadi, in an armed attack. He is 28.

Mr. Sami Ullah was opening his shop, adjacent to his home, when the attackers came on a car and a bike. He ran inside his home to save himself, but the attackers chased and shot him inside his house. One bullet hit his arm while the other hit his ribs. The assailants fled the scene after the assault.

There has been a significant increase in opposition to Ahmadis in this area in the last few years. Ahmadis who put up some resistance for self-defense are harassed with official assistance. One such case was Mr Naveed Ahmad who was kept behind bars for six months, suffered a lethal attack on release last month.

Ahmadis do not know what to do to protect themselves.

HOSTILITY AGAINST AHMADI

Kotli, Azad Kashmir; May 2022:

Sajid Mehmood and his family are facing faith-based hostility. On May 2, 2022, his in-laws survived a murderous attack. The attacker was arrested.

Peoples Party Poonch Division, Azad Kashmir organized an End of Prophethood conference in Baral Palandri. Clerics demanded release of the attacker as they justified his attack over Ahmadis' proselytizing. Mulla Arshad Yusuf was most vocal there. He demanded that Ahmadis should be expelled from the district.

EXTREMISTS DIG UP AHMADI REMAINS AND DUMP THESE OUTSIDE AFTER 25 YEARS

Sangu Hayatabad, Peshawar; May 20, 2022:

Ashfaq Ahmad was buried in 1997 in Sangu Hayatabad. On May 20, 2022, anti-Ahmadiyya elements dug up his grave and dumped his remains outside. On receiving the information, his sister along with a woman went to the graveyard, gathered his remains and buried them elsewhere. There is a risk that the perpetrators could repeat this enormity at other locations in the area.

In the recent past, several Ahmadis were target killed in Peshawar area. The killers threatened attacks in posters wherein they gave their phone numbers. The authorities failed to take effective measures against the extremist bigots. The province is ruled by PTI.

As an alarming note, we have presented his photograph along with his father - an Ahmadi physician who was murdered for his faith on March 19, 2008.

AHMADI COERCED TO VACATE HOME AND CLOSE BUSINESS

Rachna Town, Lahore; May 2022:

Mr. Kashif Zahoor Pal had rented a shop and a house here and started his work as an electrician and sanitary hardware. On 15 March 2022, some shopkeepers came to him and asked him if he was a Qadiani? At this, Mr. Pal replied, "Yes, I belong to Ahmadiyya Community." After that, the shop owner and the landlord told him to vacate the shop and house because he is a non-muslim.

A local grocery store owner Hassan, along with his two companions Sami and Asad, is leading this hate campaign; they also threatened to kill Mr. Pal.

Mr. Pal had to migrate from Lahore in this dreadful situation.

ANTI-AHMADIYYA GRAFFITI

Chianwali, District Gujranwala; May 2022:

An anti-Ahmadiyya activist did graffiti "Death to Qadiani (Ahmadi)" on his house. Non-Ahmadi locals asked him to erase the graffiti but he refused. Then an influential person told him to remove it, and he complied. Later he put up an anti-Ahmadiyya poster on his gate.

He is a mischief monger and belongs to a group who are active against the community and indulge in communal activism.

FIGHT BETWEEN TWO GROUPS

Bahuman; District Sheikhpura:

There was a fight between two groups of this village. Six Ahmadi families also reside there. All these people are relatives but have developed mutual hostility. A few Ahmadis are on friendly terms with one of the two groups. A clash resulted in the death of a 20 year old man Zain Ali of the hostile group that indulged in an aggressive violent attack.

It is leant that an Ahmadi Mr Rai Nasir Ahmad had to quit the village for some time and shift elsewhere. Recently, as a result of a peace accord, he was brought back to the village. Some in the hostile group, who are of the TLP (Tehrik Labbaik) party did not like it, and they rallied out, shouting anti-Ahmadi slogans, headed for an Ahmadi's farm house where a number of non-Ahmadis were also present. These people urged the aggressors to desist from hostile conduct, but the visitors refused and turned to stoning the people at the farm house. In the face of this provocation and risk the non-Ahmadis there took to firing, resulting in the death of one of the raiders.

The police of PS Bhatti named nine persons in this case and arrested eight of these. Three of them are Ahmadis. Police booked them in FIR No. 579 of May 7, 2022 under Sections 302, 324, 148, 149 and 7ATA. Along with the non-Ahmadis, the police arrested three named Ahmadis, Rai Nasir Ahmad, his son Rai Asad Nasir and Mr Kazim

Hayat. In addition, they detained Mr Iftikhar Ahmad (the local Ahmadi president) and Mr Wasim A Mangla (Ahmadi religious teacher) both were not named in the FIR.

The opposition painted the incident in the social media wrongfully in religious color, and tried to incite the people to indulge in extreme action against Ahmadis. Mulla Saad Rizvi, head of the TLP came over from Lahore to lead the funeral prayers of the dead attacker. After the ritual, he was forcibly buried in the section of graveyard, allotted to Ahmadis.

After the incident, the opponent group, mostly comprising TLP, took out a procession and attacked the Ahmadiyya mosque. They demolished four minarets and damaged the dish antenna there and the roof of the washroom. In view of the dangerous situation, Ahmadi families were shifted out from the village.

In response to the TLP propaganda, the police have taken a clear stand that the fight was among two hostile groups on personal grounds; religion is not the issue at all.

It is noteworthy that the killed individual was a part of the attacking group who had come out and violently raided an Ahmadi's farm house. The defenders fired in self-defense. Ahmadis did not resort to firing; accusing them of murder is wrong.

AHMADI STUDENT HARASSED BY THE PRINCIPAL

Chak 109 RB, Jaranwala District Faisalabad; April 18, 2022:

Miss Shams ul Mubeen is a student of Second Year at Degree College, Chak 209 RB District Faisalabad.

On April 18, someone sprayed graffiti against the Principal on college walls and tore up Quranic verses, Ahadith and Khatme Nabuwat

inscriptions. The Principal accused Mubeen of the mischief; she vehemently denied the accusation.

Thereafter the college administration posted a notice that the one guilty of tearing away Quranic and Hadith posters will be duly punished.

Under the circumstances, Mubeen had to stop going to the college. However, in view of the commencement of the exams, she has started attending the college again.

BLASPHEMY CASES 2020

AN ANALYSIS

Centre for Social Justice has issued the under-given chart of blasphemy cases registered in Pakistan in the year 2020 against individuals from different religious communities. This pie-chart shows the percentage share of each sectarian/religious community. While factual, it does not display an important aspect of the plight of Ahmadis.

This chart shows that 20% of the cases were registered against Ahmadis. That is true, but not the whole truth.

Ahmadis are essentially a very small community in the overall context of Pakistan's population. For it to share 20% of the national blasphemy load is enormous and almost unbearable. We explain.

We assume that the blasphemy cases of the chart comprise all those registered under the PPCs of the two Sections in the series 295 and 298, as these deal with religion only. For the purpose of this analysis, we take it that among the official Muslims in Pakistan, Sunnis are 85% while the Shias are 15% approximately. Ahmadis in Pakistan number about half a million.

The number of Ahmadis who faced criminal charges under various clauses of Sections 295 and 298 series in year 2020 was 34.

A simple mathematical calculation would show that this number (apparently only 20% of the total), if applied to the Shia community would equate in sectarian demography if 2176 Shias had been booked. As for Sunnis, cases against 12,580 of them would have proportionally the same demographic effect as 34 Ahmadis. Going by the percentages given in the pie-chart these figures on the ground were mercifully much lower — 119 and 9 only.

While there could be slight difference in the logic and calculation of CSJ figures and ours, the fact remains that Ahmadis are relatively greatly persecuted through the application of blasphemy laws. This is done through a malicious joint effort of the religious bigot and the careerist jack-in-office.

THE HAJJ FORM IN VOGUE

May 2022: The not-so-new Hajj form has come to our notice. Every Muslim pilgrim going to Makka for Hajj is required to apply to the Govt of Pakistan for permission. This has been the practice in the past too on a somewhat different form, but this one is the latest that was promulgated during the Imran regime.

The affidavit required from the applicant deserves special mention for its (lack of) propriety, and malice. The language used therein to deny Ahmadiyyat is worse than ever before. We provide its translation here and place the original form at the Annex.

Affidavit: I affirm on oath that:

1. I am a Muslim and believe the Holy Prophet (P.B.U.H.) to be the last Prophet and believe most ardently (Dil o Jan say) in his finality.
2. Moreover, I attest that Khatam al Nabiyyeen wal Mursaleen Hazrat Muhammad (P.B.U.H.)'s end of Prophethood was complete, final and unconditional, and I do not believe in anyone nor believe him to be a Prophet or Messenger in any sense or meaning of these terms. I do not belong to the Qadiani or Lahori Group or who call themselves Ahmadi or by any such name; I send curses on such a claimant, and

consider such a claimant, including Mirza Ghulam Ahmad Qadiani, to be a liar.

Signature of the Applicant

(Note: The government is guilty of compelling the Applicants to sign an affidavit contrary to their belief, as a vast majority of Pakistani Muslims, both Sunni and Shia, believe that Prophet Isa was lifted physically to the heaven, and will descend to earth in Latter Days.)

This form was introduced when Mr. Imran Khan was the prime minister and Maulvi Narul Haq Qadri was the minister of religion.

The government, through this form, took it upon itself to compel all the pilgrims to curse and abuse Mirza Sahib, thus undertaking grave responsibility for indulging in slander and profanity against a person who is considered holy by millions the world over, and thus taking the risk of Divine wrath and punishment.

Then happened the staggering regime change on 9/10 April, and mulla Nurul Haq Qadri has not been heard of since, while Mr. Khan is on the road protesting threats to his life, property, prestige et al.

A HAUNTING ANNIVERSARY

May 28:

Twelve years ago, on this date we published a story titled:

MASSACRE OF AHMADI WORSHIPPERS DURING FRIDAY PRAYERS IN LAHORE EIGHTY SIX AHMADIS SLAIN, 124 INJURED

We must duly mention that a Christian also was killed in the attack; he was a worker at our Garhi Shahu mosque.

May 28 comes back every year and reminds Ahmadis of the great tragedy heaped on them. We do not mention it every time in writing, but it is only appropriate that occasionally, every few years, we vent our grief and distress; a reminder could kindle some sentiment of regret and remorse in decent members of the Pakistani society. In Persian they say Gahey gahey baz khan een qissa e parina ra (Occasionally, do relate the old story).

Briefly, in a meticulously planned attack, sectarian terrorists slaughtered Ahmadi worshippers who had assembled for Friday Prayers in two Ahmadiyya mosques in Garhi Shahu and Model Town. The absence of any effective police presence and the delayed intervention by them enabled the terrorists to succeed in their gory operation, as planned.

This was the single most barbaric attack on the Ahmadiyya community; more people were killed in a single day than in the earlier 16 years put together.

The dead included Judge Munir A Sheikh the Ahmadiyya Amir of Lahore Jamaat, Major Gen ® Nasir Ahmad president of the Model Town Chapter, Mr. Mahmud Shad a missionary, Mr. Ejaz Nasrulla a nephew of Late Sir Muhammad Zafarulla Khan former President of the International Court of Justice at Den Haag, and a number of community officials.

Other highlights of the slaughter

- A few days prior to the attack, the authorities expressly forbid Ahmadis to carry any weapons to their places of worship and told them to even disarm their guards posted there for security.
- The terrorist had a field day in Garhi Shahu and operated unhindered for hours while the security forces assembled outside the mosque and awaited orders to intervene. The terrorists killed

at leisure. One of them shouted the slogan: "Khatme Nabuwwat – Zindah Baad" Later, when the targeted dead bodies were assembled in the veranda, it looked like a small pyramid. The Elite Force entered eventually when all was over. An op-ed in the daily Dawn of May 30, 2010 mentioned: "Dozens of policemen armed with semi-automatic weapons and guns were seen rushed to the scenes of the blood bath. They were seen huddled together either behind a wall or some other cover, without firing a single bullet...And then to cap it all the celebratory gun fire by the Lahore police which has now become their hall mark every time they finish their job. What was there to celebrate? The deaths of seventy-nine people???"

- At the Model Town, somewhat similar event unfolded but with a difference. While the terrorists were killing worshippers rapidly one after the other, one worshipper leaped at the criminal and overpowered him. Another terrorist was also subsequently held. Both were then delivered to the police who arrived approximately half an hour later. This was perhaps the first occasion when terrorists in action were apprehended. The police later took the credit of having arrested the terrorists. They however delivered the injured terrorist to a state hospital, without informing the doctors that this criminal had indulged in violent terrorism. The assassin was, however, recognized by an injured victim who reported his identity to the hospital administration.

- A provincial minister later mentioned that the terrorists had stayed at Raiwind prior to the attack. Raiwind is the town from where members of Tablighi Jamaat make sorties for Tabligh. Mullas of the Khatme Nabuwwat faction, Ahrar Islam and some other such groups reacted aggressively to the subsequent wave of general sympathy for Ahmadis. Munawwar Hasan, Amir Jamaat Islami warned that another Khatme Nabuwwat movement could be launched as in 1953. (In 1953 anti-Ahmadi riots, law and order situation became precarious and martial law had to be declared in Lahore. Both the provincial and central governments fell). This time PPP leaders in Lahore stated: "Recent events (in Lahore) are the works of Tehrik Taliban who are in collaboration with Lashkar Jhangvi, Jaish Muhammad and Sipah Sahabah." The daily Aman, June 5, 2010. It is known in religious and security circles that these groups have close links with Khatme Nabuwwat organizations in Pakistan.
- It is very relevant to mention that the federal authorities claimed that they had forewarned clearly the provincial government of the probability of such an attack on Ahmadis, for the provinces are responsible for law and order in their domain. DG ISI, General Pasha, in a subsequent hearing before UBL Commission, testified: "In Lahore the police protected those who attacked Qadianis last year (2010) and even directed them to the hospital where the wounded were being treated. The provincial government

had been informed of the situation, but it took no heed of the advice and information provided by the ISI. No guards were assigned to the hospital, as venal political influence intervened everywhere. (497-OBL Commission Report released by Aljazeera). Even the HRCP claimed to have forewarned the authorities. Ahmadis themselves had earlier conveyed their “grave concern” about the probability of the sort of tragedy that eventually materialized in Lahore.

- During the attack and subsequently, the electronic and print media covered and commented on the incident. Although sympathetic voices were raised, especially in English media, there were numerous outlets that behaved badly and thus became mentioned in archives. Some TV reporters, reporting LIVE, were very reluctant to say that Ahmadis had assembled for ‘Friday Prayers.’ They were also at a loss, how to refer to the mosques where the event was unfolding. The press conference by an Ahmadi leader was attended by reporters from a number of TV channels, but none of them exercised their media freedom, or had the courage to air the program. A PTV commentator had the audacity to say that the police intervention was very successful. Ahmadis’ reaction to the great tragedy was very different than the norm in Pakistan. They took out no procession, and indulged in no agitation. In a letter to an editor, a non-Ahmadi participant in the funeral of an Ahmadi youth wrote that he found no one beating his/her chest, crying loudly or even audibly sobbing.
- The Head of the Worldwide Ahmadiyya Community issued guidance in a statement: “The Ahmadiyya Muslim Jamaat is a peace lov-

ing true Muslim Jamaat. Thus there will be no improper reaction from any Ahmadi. Our salvation lies in our supplication to God Almighty, and we believe that He has, and always will help us.”

- Ahmadis responded most obediently to their Khalifa’s advice. A widow who lost her husband in the massacre, sent her 10-year old son to the same mosque in Lahore the next Friday for Prayer, despite warning of a repeat attack, and asked him to pray at the same spot as his father. Some aspects of the bloodshed were special and striking. A couple had two sons; both died in the attack. Waleed was a student at FMH College of Medicine. His Principal wrote in a condolence letter to his father: “We all were shocked to hear this tragic news and are appalled and heartbroken at the loss of your bright, charming and lovable son. There are no words to adequately express our heartfelt sorrow. The world has lost someone very special.” It is worthy of mention that Waleed’s paternal and maternal grandfathers were both murdered by anti-Ahmadi assassins, in mid-1980s in Sindh when General Zia promulgated his infamous Ordinance XX. Waleed was his parent’s only son.
- We regret to not omit the mention that there were some bigots in the civil society who distributed sweets at this catastrophic incident.

Ahmadiyya mosque in Lahore after attack of May 2010

Ahmadiyya mosque after attack May 2010

- This incident sent shock waves all over the world. Foreign governments, NGOs, human rights organizations expressed strong condemnation of the killings and issued statements. The UN Secretary General Ban K Moon strongly condemned the attacks. He said that for long Ahmadis have been exposed to the risk of violence and discrimination. Ahmadi delegations from foreign Jamaats like UK, Canada, Norway, Germany, Netherlands, Sweden etc. visited Lahore to offer their condolences to the bereaved families and to express solidarity with the Pakistan Community.

solidarity with the Pakistan Community.

- Reaction from major institutions was rather mute. PPP leadership in the federal government showed sympathy with the stricken community. Mr. Nawaz Sharif, the president of PML-N, who had no state portfolio, made a very brief but bold statement in public that Ahmadis were an asset to the country and should be considered as brothers. The mulla keeps on referring to this to worsen

him politically.

- Only a month later, terrorists attacked the visitors in the shrine of Data Gang Bakhsh in Lahore. The LHC chief justice took suo motu notice, visited the Darbar and issued a call to the City Police Officer to appear before his court, so as to ascertain whether the tragic incident took place due to security lapse. No such initiative came forth after the twin attack on the Ah-

madiyya places of worship, although the dead numbered twice the number of victims of the massacre in Data Darbar. Had it come, this attack on the shrine would have been deterred.

- Some women members of the National Assembly managed to secure a sympathetic resolution in the Assembly over the incident, however the Senate of Pakistan decided to hold back any expression of condemnation of the terrorist act.

This brief will not be complete without following mentions:

1. A high level Inquiry Committee was formed by the Punjab Government to look into the tragic incident. What happened to it and where are its proceedings and findings? The Committee did not ask for the Ahmadiyya community's views or comments.

2. The provincial chief minister decided not to make a sympathy visit to the Ahmadiyya Community, nor had a look at the site, nor went to the hospital to enquire after the wounded. What kept him from these minimal official, political and social norms?

We end with a comment by renowned Declan Wash: This past week though I am silent, the massacre of 94 members of the minority Ahmadi community on May 28 has exposed something ugly at the heart of Pakistan, its laws, its rulers, its society."

TWO SIKHS KILLED IN PESHAWAR – PART BACKGROUND

Peshawar: May 2022:

It was a sad news from Peshawar KP. Two Sikh traders were target killed in their shop on Sunday May 15, 2022. The assailants fled from the scene of atrocity.

This news shocked the state and the society. The killing was condemned by high state officials, the media, the civil society and HR organizations. We too extend our heartfelt sympathy to the bereaved families.

However, the incident should not have been a big surprise to the informed circles in Pakistan. It was waiting to happen. The religious thugs had undertaken such activities in Peshawar in the recent past — but these were against Ahmadis; and the authorities had decided to turn a blind eye to them.

Let us be precise. Mr. Mairaj Ahmad, Ahmadi, was shot dead near his shop on August 12, 2020 in Peshawar. A few weeks later, Mr. Mehboob Khan was murdered for his faith in the same city on November 8, 2020. Earlier on October 5, Professor Dr Naeem ud Din Khattak was killed while driving homeward. On July 29, 2020 Mr. Tahir Ahmad Naseem, a Pak-American, former Ahmadi, was shot dead in a courtroom in the presence of the judge. The police arrested his killer, but while driving him to the police station 'took the honour of making selfies' with the smiling killer (these are available on record). On September 20, 2020 a man, perhaps from the same gang who had killed Mr. Mairaj Ahmad earlier, attacked his brother Mr. Gulzar Ahmad, Ahmadi and pumped bullets in the victim. The shooter fled leaving him behind lying on the floor as dead.

Last year, in February 2021 Mr. Abdul Qadir, Ahmadi homeopath was shot dead at his clinic, in Peshawar by a youth. Later in November 2021, Mr. Kamran Ahmad was shot in a factory, where he died on the spot. He is survived by two daughters, two sons and the widow.

It seemed that the authorities had left Ahmadis at the mercy of terrorists and extremists. But they showed no mercy. All along, the police were kept informed of the threats from the sectarian crazies, who at times provided their phone numbers on threat posters. The police at best were mild to these goons, and took no effective steps to deter the assailants — and murders continued to happen.

The chief minister then, as now, was Mr. Mahmood Khan of PTI. On murder of the two Sikhs he stated that the culprits would be brought to justice. He made no such statement after the repeated murders of Ahmadis. Had he acted effectively in 2020 and 2021, the murder of innocent Sikhs would most likely not have occurred. Rana Sanaulah was right in saying: "The KP government has terribly failed in protecting the minorities." (The News International May 17, 2022)

Rather than coming to the rescue of the beleaguered community, the ruling elite remained busy in agitating the issue of Khatme Nabuwat in school syllabi. Mr. Asad Qaisar (then Speaker of KP Assembly) played leading role in it. The same exercise was undertaken again in 2019. In September, 2020, a hostile mob surrounded an Ahmadi's house in Peshawar, baying for the blood of an Ahmadi for alleged blasphemy. The police rescued the family but later arrested Mr. Abdul Majeed on fabricated accusation of blasphemy, pushed by a minor. Mr. Majeed remains in prison to date, despite his innocence. The Prime Minister reacted fast after the murder of Sikhs and tweeted his comments: "Strongly condemn the killing of our Sikh citizens in Peshawar KP. Pakistan belongs to its entire people. Have ordered a high-level inquiry to ascertain facts. The killers would be arrested & meted out exemplary punishment. My most sincere sympathies to the bereaved families."

No such statement was made by the then PM Imran Khan, on murder of numerous Ahmadis in Peshawar. At best, once he tasked Hafiz Tahir Ashrafi, his Representative, to issue some statement. He did, but many remember well that he was the one who had declared in a public meeting, "I am not willing to accept them (Ahmadis) in this country). I am speaking of Qadianis here. They are full of mischief. They are misleading humanity by using the name of Muslims. To speak against the Qadiani is Religious Harmony."

The Pakistani state must realize that long term measures are absolutely essential if you want to escape shocking incidents that have long term consequences. Murder of two Sikhs, lynching of Sri Lankan Priyantha, blowing up of Chinese teachers, etc. will continue to happen if you are selective about reigning in agents of violent extremism.

A PTI CLAIM AND ITS RESPONSE BY PUBLIC

Abbottabad; May 9, 2022:

Mr. Imran Khan and his party held a sizeable rally at Abbottabad where Khan and bagwigs of the party addressed the crowd. One of the speakers was Mr. Ali Muhammad Khan, a former minister of state in the Imran government. His theme was anti-Ahmadiyya, and he claimed:

*"Imran Khan govt broke the back of Qadianiat."
(Translation)*

This was broadcast live on TV ARY and is available on videos; it went viral on Twitter as people referred to it and responded to it in numbers. Most respondents were not Ahmadis while some were Ahmadis. Their responses to AM Khan's outburst are noteworthy and are reproduced below for information and record.

- 1. Ibn-e-Hassan@saeedma08417161**
(Translation): Khan Sahib took it that the (national) economy was the back of Qadianiat. I strongly condemn Ali Muhammad Khan's hatred speech.
- 2. Syed Ali Abbas Zaidi@Ali_Abbas_Za...**
Poor Ahmadis living in an apartheid are a soft target for this extremist leader. Must be condemned by PTI leadership.
- 3. Naila Inayat@nailainayat**
After three-and-a-half years in govt, PTI can count anti-Ahmadi bigotry and use of religion as its biggest achievement.
- 4. Syeda Nayab Bukhari@syeda1111111**
Shameful
- 5. Ahmad Salman@Salmanwattoo**
You don't have to be a PTI member. You have to be a decent human being to stand up for the persecuted. I stand with the minorities against the politics of hate and bigotry. Stop using them for political brownie points and for cheap publicity. Do unto others....
- 6. Ali, Ali@RanaRnawaz**
(Translation) I have always differed strongly with Imran Khan — Stop selling Religion dispirin (chooran). If it is decided that no political party will seek religious crutches, believe me the mulla will breath his last and this mischief will disappear forever.

- 7. Shakir Hussain@shakirhusain**
Pure evil.
- 8. Aneela Hassan@AneelaHassan65**
Pakistani Ahmadis are Pakistani. Persecution and discrimination on the basis of religion, faith, caste, race etc. is condemned!!!
Do not become TLP!!!
- 9. Vinod Kumar@vin**
When it comes to ahmadiyat, all parties are same. Shameful
- 10. Taha Siddiqui@TahaSSiddiqui**
Shameful of @ PTI official members to target Ahmadi Muslims. Such hate speech for political gains must stop! It further radicalizes Pakistanis!
- 11. Aurangzeb@True-Human**
(Translation) In my opinion, no one will do that. Why should one put life at risk?
- 12. Raja Ata-ul-Mannan@Amraja75**
When we fall victims to hypocrisy and deception, you say such things.
You are crying that you are playing Religion card against an oppressed Ahmadi community. Any fear of Allah?@Ali-MuhammadPTI
- 13. Usman@UsmanAhmad_jam**
But the handsones have spent the past couple of weeks claiming their party has never ever ever played the religious card. First time for everything I guess.
- 14. Dr Tanya Ahmad@tanyaahmad**
If they have broken our backs — which they have been trying to do since 1974 — why can't they get anything done in this country without throwing us under the bus again and again?
- 15. Alii @Bhuut_**
Only in Pakistan will we see a political party claiming to suppress minorities as their achievement. I really hope the world takes notice of what we are doing to the Ahmadiyya Community.
- 16. Kashif N Chaudhry @KashifMD**
In last 2 weeks, 2 top PTI leaders @ShkhRasheed & @Ali_MuhammadPTI have engaged in dangerous hate speech against Ahmadis in presence of @ImranKhanPTI
2 months ago, IK himself engaged in said hate speech. This was their MO in 2018. This is their MO again — a party of extremists.

Saving Pakistan

Ecologically, climate change may destroy our fertile soil, swamp coastlines, cause water wars and increase disasters and migration hugely. Demographically, our numbers may hit 300 million-plus given a high fertility rate. Economically, our inability to escape slow GDP and job growth, high twin deficits, a huge debt and poor innovation and competitiveness may cause economic collapse.

Socially, fake religiosity and patriotism and extremism may fan huge social unrest TLP's quick rise reflects this fact. ...

Which other state faces this grim mix of demographic, ecological, external, enmity, economic, extremism, emergencies, education, epidemics, establishment, ethnic and elitism issues? This mix may cause huge ecological disasters, economic collapse, extremist violence, external isolation, nuclear calamity, political turmoil and ethnic insurgency.

Thus, Pakistan is a rumbling volcano. If it erupts, the shockwaves will be felt regionally, even globally. Few other states pose this global risk.

Yet when chances of success are so few, one must not focus on them but, like cornered tigers, on the path that provides the best chance. That path is clearly that of democracy, with an end to both establishment politics and the populist megalomaniac politics it has helped spawn. We will also need some lucky external breaks. The US, EU, UK, Gulf states, China and India all have critical roles to play here as Pakistan's failure will have huge spin-offs for all of them.

Whether all this will be enough to avert doom, only time will tell. Meanwhile, the time bomb's clock is going tick, tick, tick.

White night

The Great Replacement theory has moved from the fringes to the mainstream, most prominently in America where anchors like Tucker Carlson and Republicans such as Lauren Boebert have increasingly been saying the quiet part out loud, providing a larger audience for, and greater acceptability of, this murderous narrative. With such voices gaining strength, traction and acceptability, the ideological basis for white terrorism is more secure than ever before. All that is needed then

FROM THE MEDIA

is for someone like Payton Gendron to inevitably come around and turn words into action.

Zarrar Khuhro in the daily Dawn of May 23, 2022.

Op-ed: Intolerance & populism

Some patterns are evident. There is chronic intolerance of diverse views; the beliefs and practices of various cultures and faiths are not accommodated; there is no acceptance of gender equality; and little acknowledgement of different political and religious identities. Fascist tendencies make up the present sociopolitical and cultural fabric of Afghanistan, India and Pakistan, if not the entire South Asian region. Instead of presenting road maps for economic development, political efficacy of institutions and efficient social service delivery, policymaking and governance, the political narratives in these countries have begun to revolve around slogans which arouse aggressive feelings and extremist sentiments against political opponents. Hence bigotry, extremism and populism have become a lethal combination that is disrupting social norms and political stability.

The implementation of policies based on extremist versions of religion, authoritarianism and sectarianism in order to achieve strategic objectives, and a dissipating support base for mainstream political parties, have immersed a generation in absolutism and otherisation, depriving it of critical consciousness. The use of media and curricula for the purpose has magnified the effect, thus leaving large sections of the population, especially the youth, with little or no political consciousness. It goes without saying that it is the responsibility of state institutions, the political leadership, the intelligentsia, academia, religious scholars, the media, CSOs, teachers and writers to reverse this situation.

Editorial: Sharp escalation

THE danger is clear and present: militancy is on the upswing and matters could get worse before they get better.

As per statistics released by the Pakistan Institute for Conflict and Security Studies, April saw a 24pc increase in militant attacks as compared to the month before. There were 34 such attacks in April with a death toll of

55. At least 25 people were injured. In March, the attacks numbered 26, but the casualty figures were much higher — 77 dead and 288 injured — largely on account of the devastating suicide blast at a Shia mosque in Peshawar on the fourth day of the month which was claimed by the Islamic State group's Khorasan chapter. The frequency of attacks in March was twice that in February, indicating a rapidly worsening security scenario.

(Tr) It is neither Islam nor humanism; it is plain animalistic. You may consider someone a Muslim or a Kafir, you have no right to defile his dead body. It is deplorable that in our society, Ahmadiis are not considered even human, perhaps that is why such act may not be adjudged defiling.

THE AHMADIYYA MUSLIM JAMA'AT IS A RELIGIOUS COMMUNITY AND ORGANIZATION, INTERNATIONAL IN CHARACTER, WITH ESTABLISHED BRANCHES IN OVER 210 COUNTRIES AND TERRITORIES IN ASIA, AFRICA, THE AMERICAS, EUROPE AND AUSTRALIA. IT HAS TENS OF MILLIONS OF MEMBERS WORLDWIDE AND IS GROWING. THE AHMADIYYA COMMUNITY WAS FOUNDED IN 1889 BY HADRAT MIRZA GHULAM AHMAD OF QADIAN, ON TEACHINGS THAT HE SAW AS AN EMBODIMENT OF THE BENEVOLENT MESSAGE OF ISLAM: PEACE, UNIVERSAL BROTHERHOOD, AND SUBMISSION TO THE WILL OF GOD. HE CLAIMED TO BE THE LATTER-DAY MESSIAH AND REFORMER AWAITED IN LEADING WORLD RELIGIONS OF THE WORLD. HE OPPOSED VIOLENCE AS A MEANS OF ADVANCING RELIGION AND REJECTED TERRORISM IN ANY FORM OR FOR ANY REASON.

DECLARING AHMADIS AS NON-MUSLIMS

THE PAKISTANI RELIGIOUS ESTABLISHMENT BRANDS THE AHMADIYYA COMMUNITY HERETICAL IN NATURE AND DOES NOT APPROVE OF ITS REFORMATORY NATURE. POLITICIANS HAVE ALSO FOUND IT EXPEDIENT TO SUPPORT THE RELIGIOUS ESTABLISHMENT IN THEIR ANTI-AHMADIYYA STANCE. THE FIRST COUNTRYWIDE WAVE OF VIOLENCE AGAINST THE COMMUNITY ERUPTED IN 1953. FOLLOWING THE EXTENSIVE RIOTS, AN IN-DEPTH JUDICIAL INQUIRY BY THE CHIEF JUSTICE AND A JUDGE OF LAHORE HIGH COURT FOUND POLITICS TO BE THE MAIN CAUSE OF DISTURBANCES. MANY YEARS LATER, IN 1974, MR ZULFIKAR ALI BHUTTO, THE THEN PRIME MINISTER OF PAKISTAN, FOUND IT POLITICALLY ADVANTAGEOUS TO HAVE AHMADIS DECLARED A NON-MUSLIM MINORITY, WHICH IN PAKISTAN IS A FORM OF SECOND RATE CITIZENSHIP. IT WAS A UNIQUE INNOVATION; WHILE OTHER NON-MUSLIM RELIGIOUS GROUPS, LIKE CHRISTIANS AND HINDUS, WERE NON-MUSLIM MINORITY BY THEIR PROFESSION, AHMADIS WERE FORCIBLY DECLARED A NON-MUSLIM MINORITY THROUGH LEGISLATION.

ORDINANCE XX

FOLLOWING BHUTTO'S LEAD, GENERAL ZIA UL HAQ, THE MILITARY DICTATOR OF PAKISTAN FROM 1977 TO 1988, TRIED TO COURT EXTREMISTS BY PROMULGATING THE NOTORIOUS ANTI-AHMADIYYA ORDINANCE XX IN 1984. THE ORDINANCE ADDED SECTIONS 298-B AND 298-C TO THE PAKISTAN PENAL CODE. THROUGH THIS ORDINANCE, THE RELIGIOUS RIGHTS OF AHMADIS WERE DIRECTLY VIOLATED. UNDER ITS PROVISIONS, AHMADIS COULD BE IMPRISONED FOR THREE YEARS AND FINED AN ARBITRARY AMOUNT FOR ORDINARY EXPRESSION OF THEIR FAITH. ADDITIONALLY, TO PROHIBIT AHMADIS FROM PROSELYTIZING, IT EXPRESSLY FORBADE THEM FROM CERTAIN RELIGIOUS PRACTICES AND THE USAGE OF ISLAMIC TERMINOLOGY. THIS ORDINANCE EFFECTIVELY MAKES A CRIMINAL OUT OF EVERY AHMADI BY INCLUDING THE BROAD PROVISION OF "POSING AS A MUSLIM" A COGNIZABLE OFFENCE, GIVING THE EXTREMISTS À CARTE BLANCHETO TERRORIZE AHMADIS WITH THE BACKING OF THE STATE.
